SAUCE BOTTLE WARMER

ISM-BW3

STANDARD FEATURES

3 bottles of 1 L · 40–90 °C

- Keeps three 1 L squeeze bottles of chocolate, caramel, cheese or dessert sauce warm and pourable, so toppings flow freely from the first waffle or crêpe of the day to the last.
- Each well has its own thermostat dial from 40 °C to 90 °C and its own heating lamp, so three different sauces sit side by side, each at its own setting.
- Deep stainless-steel wells warm the bottle from the sides and hold it upright, ready to lift out and dress a plate in one movement.
- A 40 × 22 cm footprint fits along a dessert or crêpe counter, with a main power switch and non-slip rubber feet.
- Stainless-steel body that wipes clean, 600 W on a standard 220–240 V single-phase socket. Squeeze bottles are sold separately.

PRODUCT SPECIFICATIONS

Dimensions	40 × 22 × 20.5 cm
Capacity	3 squeeze bottles of 1 L
Temperature	40 °C to 90 °C
Control	Thermostat dial per well
Power	600 W
