GAS CHAR GRILL 40 CM

ISM-GCB40

STANDARD FEATURES

Cast-iron grates · piezo ignition · LPG

- Heavy cast-iron ribbed grates across the whole 40 cm top give meat, chicken, kebabs, burgers and vegetables their grill marks.
- Cast iron holds its heat, so the grates stay hot through a busy service and sear each new load.
- One gas control knob with push-button piezo ignition: the burner lights at a press, with no lighter at the grill.
- A full-width drip tray under the burner collects fat and juices and slides out for cleaning.
- Stainless-steel body with side and back walls and a rounded front rail; 30,000 BTU/h (8.8 kW) on LPG at 2.8 kPa.

PRODUCT SPECIFICATIONS

Dimensions	40 × 56 × 36.5 cm + legs
Grates	Cast iron, ribbed
Controls	1 knob, piezo ignition
Power	30,000 BTU/h · 8.8 kW
Gas pressure	2.8 kPa
Energy source	LPG
