FREE STANDING SOFT SERVE MACHINE

TKIS-USS3F

STANDARD FEATURES

Free standing, 3 dispensers

- The built-in air pump increases overrun and improves texture, producing smoother, lighter, and more consistent soft serve ice cream while maximizing product yield.
- Equipped with refrigerated upper hoppers that keep the mix fresh and food-safe during service, allowing standby storage and uninterrupted production throughout the day.
- Three dispensing valves allow two individual flavours plus one mixed option, ideal for ice-cream shops, cafés, dessert counters, and high-volume foodservice environments.
- Durable stainless steel body ensures hygiene and long service life, while heavy-duty casters allow easy positioning, cleaning access, and maintenance.
